Incorporated: 1829

Origin: Waterville was incorporated in 1829 from the Gillis and Foss Grant, and the John Raymond Grant. For many years the town was a popular summer resort. In 1911, the Weeks Act was passed, authorizing the federal government to purchase lands for stream-flow protection, and to maintain those lands as national forests. The first land purchases for the White Mountain National Forest were in 1914, and as a result, the town of Waterville lost a substantial amount of acreage. Major development of Waterville as a winter recreation area began about 1965. In 1967, by an act of the General Court, the town officially adopted the name Waterville Valley.
